In the article, entitled, "New Marketing Opportunities I see Developing in the South," Dean Chapman outlines 10 reasons why he thinks the South will lead the nation in the postwar upsurge to business, agricultural and industrial prosperity. They are: 1. More paved roads. . More airports and planes. 3. More rural electrification. 4. More refrigeration. . Increased use of power and 6. Increased need for farm build-

ings and equipment.
7. Larger farms.
8. Livestock expansion. 9. Marketing supplies and equip-10. Small industry equipment.
